PI 30,000 USD 2016 - 2017

“Eliciting subjective expectations of yields and profitability of fertilizer use in Morogoro, Tanzania”

USAID BASIS Assets and Market Access Co-PI 800,000 USD 2014 - 2017

“Evaluating the effect of site-specific soil information on farmer input choices and the relationship between poverty and soil quality”

Columbia University Earth Clinic PI 29,000 USD 2015 - 2016

“Identifying the critical constraints to small farmers’ fertilizer purchasing decisions in Tanzania: liquidity v. information”

Columbia University Cross Cutting Initiative Co-PI 30,000 USD 2015 - 2016

“Incentivizing farmers to reduce groundwater depletion rates in Punjab”

Awards

2017 Best Article in *Agricultural Economics* 2018

Università degli Studi di Bicocca Department of Economics Visiting Scholar Fellowship 2015

George F. Warren 2nd Place Award for Outstanding Publication 2014

Research Travel Grant Award, College of Agriculture and Life Sciences, Cornell 2010

Mario Einaudi Center for International Studies Field Work Travel Grant Award 2010

Geography and Environmental Science University of Sussex Dissertation Award 2003

Conferences and Seminar Presentations

Association of Environmental and Resource Economists Summer Conference (2023, scheduled); Western Economics Association International 98th Annual Conference (2023, scheduled); Tata-Cornell Institute of Agriculture and Nutrition 10th Anniversary Conference: Food, Environment and Health - Global Evidence (2023, scheduled); Center for the Study of African Economies Economic Development Conference (2023, scheduled); National Taiwan University Agricultural Economics Seminar (2022); Online Agricultural and Resource Economics Seminar (2022); Cornell University 100 Years of Economic Development Conference (2022); Agricultural and Applied Economics Association Virtual Conference (2) (2022); Canadian Agricultural Economics Society Virtual Conference (2) (2022); Pacific Conference for Development Economics (2022); Agricultural and Applied Economics Association Virtual Conference (2) (2021); Canadian Agricultural Economics Society Virtual Conference (2) (2021); Midwest International Economic Development Conference (2021); Pacific Conference for Development Economics (2021); North Eastern Universities Development Conference (2020); A. Jean de Grandpré Distinguished Speaker and Seminar Series (2020); Agricultural and Applied Economics Association (2020); Canadian Agricultural Economics Society (2020); McGill Max Bell School of Public Policy Webinar (2020); 2020 Global Food Symposium (cancelled); Economics Science Association (2019); Agricultural and Applied Economics Association (2019); Canadian Agricultural Economics Society (2019); Sustainability and Development Conference (2018); North Eastern Universities Development Conference (2018); Advances in Field Experiments (2018); Economics Science Association (2018); Agricultural and Applied Economics Association (2017); Center for the Study of African

Economies Conference (2017); USAID BASIS Technical Committee Meeting (2016); Stanford University School of Earth, Energy and Environmental Science Seminar (2016); McGill University Department of Natural Resource Sciences Seminar (2016); Cooper Union Department of Social Sciences and Humanities Seminar (2016); Fordham Department of Economics Seminar (2015); Second Global Food Security Conference (poster) (2015); Agricultural and Applied Economics Association Conference (2015); International Consortium on Applied Bioeconomy Research (2015); Università di Bicocca Department of Economics Seminar (2015), USAID BASIS Technical Committee Meeting (2014); Centre for the Study of African Economies Conference (2014); European Association of Agricultural Economists (2013); Cornell Population Center Encore Conference (poster) (2012); Agricultural and Applied Economics Association (poster) (2012); Food and Agricultural Organizations International Scientific Symposium on Food and Nutrition Security Information (2012); Congressional Research Service (2011); Institute of Statistical, Social and Economic Research Seminar (2010); Actors, Markets, and Institutions in Developing Countries: A micro-empirical approach (AMID) Conference (2009).

Past Employment

Research Assistant for Dr. Chris B. Barrett	<i>6/2012 - 9/2013</i>
	<i>9/2011 - 1/2012</i>
	<i>8/2008 - 8/2009</i>
Research Assistant for Dr. Miguel I. Gómez	<i>1/2011 - 8/2011</i>
Food Security Officer for Action Against Hunger	<i>6/2007 - 4/2008</i>
Senior Associate for Law and Economics Consulting Group, LLC	<i>7/2005 - 6/2007</i>
Reader for Dr. Larry Teuber Applied Statistics in Agricultural Science	<i>9/2004 - 4/2005</i>
Hazard Mapping Analyst for Dewberry and Davis, LLC	<i>1/2004 - 9/2004</i>
GIS Analyst for Binnie, Black and Veatch, LLC	<i>8/2002 - 9/2002</i>
Intern at the Climate Institute	<i>7/2001 - 9/2001</i>
Field Assistant for the non-profit Educa in Tegucigalpa, Honduras	<i>3/2001 - 4/2001</i>
Field Manager and Lobby Intern for U.S. Public Interest Research Group	<i>6/2000 - 8/2000</i>
Data Analyst for STRATEC, a transportation analytics firm	<i>1/2000 - 3/2000</i>
Field Worker for a local non-profit offering rice extension services in Nasik, India	<i>7/1998 - 8/1998</i>

Professional Service Activities

Coordinator: Environmental Economics Specialization, McGill University

Committees: Founders Day Committee, Macdonald Campus Library Advisory Committee, Development of Teaching Excellence Committee, NRS Departmental Seminar Committee, Agricultural Economics PhD Committee, Search Committee for Agricultural Economics, Agricultural Economics Social Media and Outreach Committee, Margaret A. Gilliam Institute for Global Food Security Steering Committee

Member: Agricultural and Applied Economics Association, Canadian Agricultural Economics Society, International Association of Agricultural Economists, American Economics Association, Northeastern Agricultural and Resource Economics Association, American Association of Geographers

Referee: *World Development, Food Policy, American Journal of Agricultural Economics Conference Abstracts Review, Canadian Agricultural Economics Society Conference Abstracts Review, American Journal of Agricultural Economics, Journal of African Economies, Global Food Security, Agricultural Economics, Applied Economic Perspectives and Policy, PlosONE, Nature Food, Food Security, Journal of Development Economics, Review of Economics and Statistics*
